

SAFETY PROTECTIONS FOR OUR WEEKEND SERVICES

The health and safety of our worshipers and of those who participate in conducting services is of critical importance to Clergy and Leadership at Saint Timothy's Episcopal Church and School.

To ensure all involved are safe, we are:

- Holding services only via internet;
- Strictly observing CDC social distancing guidelines in recording services in our sanctuary;
- Affirming participants who choose to wear masks or gloves;
- Recording readers individually or at safe distances;
- Recording our organist and vocalists individually, while our videographer is at a safe distance.
